12 May 1982

MEMORANDUM FOR: Deputy Director for Applications, ODP

ATTENTION: Chief, Systems Development Division, ODP

THROUGH: FBIS ADP Control Officer

FROM:   
FBIS ADP Systems Analyst

STAT

SUBJECT: Request for Word Processing Equipment

1. Summary

FBIS/AG request the procurement of two NBI 3000 video display units with attached dual diskette drive, Diablo printer, and communications option linking the word processors to the ODP Computer Center. FBIS will accept the Agency's standard word processor which is WANG.

2. Background

Please reference the "Word Processing Feasibility Study for FBIS Analysis Group."

3. Should you have questions concerning this study, feel free to contact me on extension
